15th September

World Engineer's Day

"Science can amuse and fascinate us all, but it is engineering that changes the world."

Sukhmani Sahib path was organized to celebrate World Engineer's Day. The management, faculty, and students came together to seek Guru Sahib's blessings on this auspicious day.

Langar was also held where the faculty members and students did sewa. The objective behind organizing the event was to honor engineers and the contribution they made in society with their achievements. It is celebrated as tribute to the Indian Engineer and Bharat Ratna Sir Mokshagundam Viswesvaraya (popularly known as Sir MV).

Sports Events

Sports are an important and integral part of a student's life. So, to make our students more energetic and strong our university arranged for games and sports. Students are encouraged to participate in sporting events like volleyball, badminton, etc.

"An athlete cannot run with money in his pockets. He must run with hope in his heart and dreams in his head." —Emil Zatopek

Playing sports teaches lessons of life, such as teamwork, accountability, self-confidence, responsibility, and self-discipline. Sports in school help prepare students to face the challenges of life. They enhance physical and mental abilities of students and help them achieve the goals of their life.
