2nd May Collage Making Competition

Indus International University recently organized a creative and enthusiastic collage making competition in which students from various departments participated with great enthusiasm. The participants participated in teams and brought their own materials. There was no set theme for the competition, which gave the students the opportunity to work freely on a topic of their choice. It gave them a platform to explore different ideas and express their creativity freely. The jury evaluated the collages on the basis of creativity, originality, teamwork, and presentation. After evaluation, the results were announced, in which the first prize was bagged by Aditi and Payal from the Department of Pharmacy, who created a beautiful and thought-provoking collage on the theme of Nature. Second place was jointly awarded to Vishakha and Diksha from Department of Computer Science and Engineering and Nikita and Ritika from Department of Applied Science. These teams presented impressive collages on Maha Kumbh and other social issues respectively. Anjali and Abhishek from Department of Pharmacy secured third place by creating an emotional and awareness raising collage on Pehalgam attack. Apart from this, many other wonderful and amazing collages were presented in the competition, which included social issues, environment, culture, and modern lifestyle. The event concluded with inspirational words and congratulations to the winners from Vice Chancellor Dr. Sanjay Kumar Bahl and Registrar Dr. Jagdev Singh Rana. They encouraged the students to participate in such co-curricular activities and said that such activities help in the overall development of students.

3rd April

Visit @ Nestlé Plant

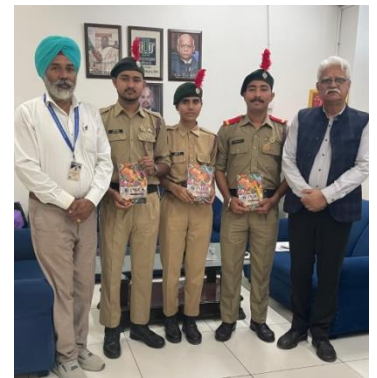

Students from Indus International University (IIU) recently visited the Nestlé Plant at Tahliwal as part of their industrial visit program designed to enhance practical learning. They were accompanied by faculty members including Dr. A.H. Khan, Dean of Management, Mr. Balbir Singh, Dr. Kamlesh Devi, and Mr. Raj Kumar. During the visit, Nestlé officials—Captain Kashmir Singh (Chief Safety Officer), Mr. Sanjeev Rog, and Mr. Jaideep Yadav (Quality Managers)—guided the students through the plant's operations. The students observed the entire food production process, from raw material procurement to final packaging, and developed a strong understanding of quality control practices and industrial safety protocols. The visit also highlighted Nestlé's commitment to environmental sustainability, showcasing initiatives such as water conservation and waste management. This provided students valuable insights into how large companies integrate ecological responsibility with business operations. Interactive sessions allowed students to engage directly with industry professionals. Mr. Rog discussed quality assurance, while Capt. Singh explained industrial safety systems, helping students understand how different responsibilities are managed in a multinational company. Vice Chancellor Dr. Sanjay Kumar Bahl and Registrar Dr. Jagdev Singh Rana praised the visit, emphasizing the university's dedication to experiential learning. Overall, the visit was a meaningful experience that equipped students with vital industry knowledge and perspectives for their future careers.

6th May

Cadets Ace 'C' Certificate Exam

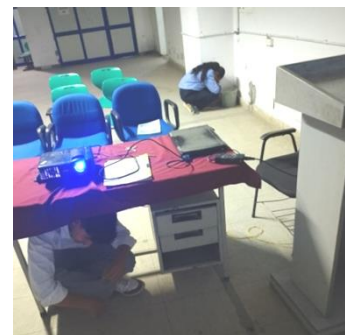

Indus International University (IIU) proudly announced that all NCC cadets of its Army Wing successfully cleared the prestigious 'C' Certificate Examination with A Grade. The exam, held in Dharamshala and conducted by the 6 HP Independent NCC Unit, Una, was supervised by Colonel Ravinder Singh. The successful cadets—Mr. Mohit Kumar, Mr. Aryan Bhatia, and Mrs. Jaspreet Kaur—achieved this significant milestone through rigorous physical, mental, and academic preparation. Their success is credited to the dedicated guidance of ex-serviceman Subedar Balbir Singh and the constant support from NCC Caretaker Mr. Gaurav Jaswal. Vice Chancellor Dr. Sanjay Kumar Bahl and Registrar Dr. Jagdev Singh Rana congratulated the cadets personally and honored them with Excellence Awards. Dr. Bahl praised the cadets' courage and hard work, as well as the instructors' commitment, calling this achievement historic. The 'C' Certificate is the highest NCC certification, serving as a stepping stone to promising careers in the Indian Army and government institutions. Passing with an A Grade highlights the cadets' dedication and skill. This achievement reflects IIU's commitment to discipline, service, and holistic development, inspiring future cadets and strengthening the university's role in nation-building.

8th May

Civil Defence Training

Indus International University (IIU) recently organized a civil defence mock drill and awareness session focused on preparing students and staff for emergency situations, particularly war-like disasters. The event was led by retired Subedar Balbir Singh and Mr. Gaurav Jaswal, under the guidance of Vice Chancellor Dr. Sanjay Kumar Bahl and Registrar Dr. Jagdev Singh Rana. The programme educated participants on the significance of civil defence, which involves organized efforts to protect civilians during crises such as wars, air raids, fires, and natural disasters. Key objectives discussed included emergency preparedness, evacuation strategies, safeguarding essential resources, and maintaining public morale. Students learned practical life-saving techniques including how to prepare an emergency kit, conduct home safety planning, and respond to threats like chemical or biological attacks. One major highlight was training in the blackout procedure and correct actions during air raids, such as seeking underground shelters, avoiding open or glass-exposed areas, and never using lifts during emergencies. The session emphasized community responsibility and the importance of staying calm and cooperative. Dr. Bahl praised the initiative for promoting awareness and responsible citizenship. The event concluded with an interactive Q&A session, leaving students more confident and better equipped to face real-world emergencies effectively.

17th May

Farewell Ceremony

Indus International University (IIU), Una, recently hosted a heartfelt farewell ceremony for its final-year students, organized by the Department of Management and the Department of Computer Science and Engineering (CSE). The event, held in May, celebrated students' achievements and offered best wishes for their future endeavors. Junior students from BBA, B.Com., MBA, and BCA arranged cultural performances, poetry recitations, singing, dancing, fun games, and a grand banquet to honor their seniors. In the Management farewell, Harsh (Hotel Management) and Isha (BBA) were awarded Mr. and Miss Farewell respectively, while Aditya and Diya (both from BCA 6th semester) received the same titles in the CSE ceremony. All honorees shared emotional reflections and gratitude toward their teachers and peers. Special technical presentations, video messages, and sports activities also highlighted the CSE event. Vice Chancellor Dr. Sanjay Kumar Bahl and Registrar Dr. Jagdev Singh Rana congratulated the students and encouraged them to carry the values of loyalty, honesty, and confidence forward. The ceremony ended with the distribution of mementoes, marking a memorable celebration of achievement, unity, and growth. The event beautifully captured the spirit of gratitude, nostalgia, and new beginnings. It was a day filled with emotions, appreciation, and encouragement for the journey ahead. The farewell served not only as a send-off but also as a celebration of growth, transformation, and lasting bonds formed.

20th May

Resume Writing Competition

Indus International University (IIU) recently organized a resume writing competition aimed at enhancing the career readiness of its students. Under the guidance of coordinators Dr. A.H. Khan and Mr. Raj Kumar, students received valuable training on crafting impressive and professional resumes. The competition attracted a large number of participants from various departments, who were evaluated based on presentation, clarity, structure, grammar, and creativity. The primary goal of the event was to equip students with practical skills essential for their professional journeys beyond academic achievements. Vice Chancellor Dr. Sanjay Kumar Bahl emphasized the importance of resumes as reflections of their abilities, stating that the university aims to nurture students' professional competencies alongside their academic qualifications. Registrar Dr. Jagdev Singh Rana reiterated the university's commitment to practical education that aids employment opportunities. Top performers were felicitated in a formal ceremony. Kriti Sharma (BBA 4th semester) won first prize, while the second prize was shared by Isha and Sanjana (both BCA 2nd semester). The third prize was jointly awarded to Shivani (MBA 2nd), Anchal (BCA 2nd), and Taranjit Kaur (BCA 2nd). Special incentive awards were also given to several students from diverse programs including Pharmacy, Chemistry, Computer Science, and Business Administration. The event concluded with certificate distribution, with Dr. Khan and Mr. Kumar encouraging students to actively participate in future skill-building activities. This competition reflects IIU's dedication to empowering students both academically and professionally, preparing them to excel in their careers.

27th May

Golden Triumph

Aditya Rana, a BA student at Indus International University (IIU), has made the university proud by winning four gold medals in an inter-university swimming competition. Aditya, son of Shri B.S. Rana, displayed exceptional skill and determination by securing first place in four categories: breaststroke (0.35 seconds), backstroke (0.36 seconds), 50m freestyle (0.29 seconds), and 100m freestyle (1 minute 17 seconds). His outstanding performance is a testament to his hard work, discipline, and passion for swimming. Vice Chancellor Dr. Sanjay Kumar Bahl congratulated Aditya, calling it a proud moment for the university and praised his dedication and sportsmanship. Registrar Dr. Jagdev Singh Rana also commended his achievement, describing it as an inspiration for other students. Sports Incharge Mr. Balbir Singh highlighted Aditya's rigorous practice, time management, and unwavering confidence as key factors behind his success. Aditya's victory has not only brought recognition to the university but also set a new benchmark in its sports history. His achievements prove that with the right platform and guidance, students can reach great heights in any field. IIU celebrates Aditya's success and looks forward to his continued excellence at the state and national levels.

Cadets Achieve Excellence

Indus International University (IIU) Celebrates NCC Cadets' Success in 'B' and 'C' Certificate Examinations with Notable Grades

Indus International University (IIU) proudly announces the outstanding achievements of its NCC Navy and Army cadets in the recent NCC 'C' and 'B' certificate examinations. A total of 18 cadets—5 from the Navy Wing and 13 from the Army Wing—successfully cleared these prestigious certification exams, showcasing their dedication, discipline, and perseverance. From the Navy Wing, all five cadets successfully cleared the 'C' certificate exam, the highest level of NCC certification. The cadets—Anu, Harmanjeet Kaur, Ritu, Alka Choudhary, and Jiya Pooner—each earned Grade B, demonstrating strong naval competence, leadership, and commitment developed through rigorous training. From the Army Wing, 13 cadets passed the 'B' certificate exam with excellent performance. Vishal Kumar, Arman Thakur, and Sunil secured Grade B, while Dishant Rana, Areyan Rana, Chetan Sharma, Rahul, Sunakshi, Anu Rana, Bhoomika, and Radha achieved Grade A. Inder Pal and Kriti Sharma also received Grade B. These results reflect the cadets' determination, discipline, and the high standards upheld by their trainers. Vice Chancellor Dr. Sanjay Kumar Bahl congratulated all cadets and emphasized the vital role NCC plays in fostering leadership, patriotism, and discipline among youth. Registrar Dr. Jagdev Singh Rana also praised the cadets and instructors for their dedication, calling this achievement a proud milestone for the university. The NCC coordinators and trainers lauded the cadets' commitment and urged future cadets to strive for similar excellence. Indus International University continues to support and inspire its NCC community to contribute courageously to nation-building.

Heartiest congratulations to our exceptional NCC cadets for their remarkable achievement and unwavering dedication!

Joyful Birthday Moments

Indus International University recently celebrated the birthday of Dr. Ram Krishan, Controller of Examinations (COE), in a small and warm gathering. Although the celebration was modest, it was marked by genuine appreciation from his close colleagues and staff members, who acknowledged his valuable contributions to the university. Dr. Ram Krishan has been an integral part of IIU, known for his dedication and efficiency in managing the examination process with great professionalism. His leadership ensured the smooth conduct of examinations, timely declaration of results, and the maintenance of academic standards, which benefited thousands of students across various departments. The small birthday gathering included senior faculty and administrative staff who took the opportunity to express their gratitude for Dr. Krishan's tireless efforts and unwavering commitment. They praised his approachable nature, strong work ethic, and significant role in upholding the university's academic integrity. Vice Chancellor Dr. Sanjay Kumar Bahl and Registrar Dr. Jagdev Singh Rana also conveyed their heartfelt wishes during the occasion, recognizing Dr. Krishan's contributions and expressing hope for his continued success. The event, though simple, reflected the high regard and respect that the entire university community holds for Dr. Ram Krishan. Everyone joined in wishing him good health, happiness, and prosperity in both his professional and personal life, marking the day as a meaningful moment of celebration and gratitude at Indus International University.
